**JOINT STATUS REPORT REGARDING  
PROGRESS OF SETTLEMENT**

LISA MARGARET SMITH, United States Magistrate Judge

This Joint Status Report is submitted by the parties to update the Court regarding the status of settlement discussions in the above-referenced matter.

On April 18, 2017, the parties submitted a joint status report informing the Court that parties expected to file a motion for preliminary approval within 14 days. During that time frame, the parties have been finalizing a stipulation for settlement and supporting documents. However, the parties have been exploring additional provisions that would enhance and add value to the proposed settlement. Accordingly, the parties expect they will file a motion for preliminary approval within 14 days of the date of this Joint Status Report or file a further joint status report regarding the progress of the Stipulation.

If the Court has any questions, we are available at your convenience.
